## EMPLOYMENT HISTORY

### Agency for Digital Government, Stockholm, Sweden

#### SENIOR E-COMMERCE SPECIALIST, 2021 – PRESENT

As a specialist in e-commerce, data integration and efficiency projects I work with implementation of the e-commerce process to the government agencies and the public sector. I work mainly with the post-award process. I am also working with the standard SFTI (Single Face To Industry) and Peppol on a national level.

### Invinet Systems, Barcelona, Spain

#### E-INVOICING DEVELOPER SPECIALIST, 2020-2021

As a consultant for Invinet Systems I have worked on usability testing, translation and preparation of the e-invoicing platform B2BRouter for the Swedish market.

### Skövde municipality, Skövde, Sweden

#### PROCESS MANAGER PROCUREMENT AND IT-DEVELOPER, 2013-2021

As responsible for the post-award process in Skövde municipality, I have, among other things, worked with process development and improvements. I have also been the project manager for various change and efficiency projects including replacement of the e-commerce system.

### InExchange Factorum AB, Skövde, Sweden

#### BUSINESS- AND PRODUCTDEVELOPER E-COMMERCE, 2008-2013

I worked with business development for the Swedish market. Setting up and developing the company business model and development and requirements of the company's e-commerce software.

### Swedish Association of Local Authorities and Regions, Stockholm, Sweden

#### PROJECT MANAGER E-COMMERCE, 2007-2008

Project manager with focus on municipalities and regions.

### Skövde municipality, Skövde, Sweden

#### SYSTEM MANAGER E-COMMERCE AND PROCUREMENT, 2001-2008

As the system manager, I worked daily with operation and integration of the municipality's e-commerce transactions, implementation of new file formats and standards. I was the project manager for implementation of a e-commerce system in Skövde as well as in several neighboring municipalities where we had collaboration.

## ACADEMIC HISTORY
