

## Motivation letter

**Name of the Candidate:** Manjeet Yadav

**Email:** [Manjeet.Yadav@Valtatech.com](mailto:Manjeet.Yadav@Valtatech.com)

**Position to be elected for:** Service Providers Community Leader.

**Candidate's vision for the position:**

My vision for the position of Service Providers' community leader is to ensure that the essential information flows to Service Providers in a timely manner regularly.

To ensure service providers' are represented in all relevant working groups and are involved early enough to have a say in the matters that impact them.

To ensure that service provider community collaborates well with true interoperability principles and disputes, compliances are handled in a fair manner.

**Candidate's Background:** As a person, I am a young, energetic, extrovert, collaborative and optimistic person with a cheerful smile on the face.

As a professional, I have been close to e-invoicing, Peppol and e-procurement since 2012 working with people from different cultures, communities and countries across the globe i.e. since the time OpenPeppol has been established and have been active in Peppol communities since 2017.

I have been contributing to e-invoicing, Peppol rollouts and adoption across the globe including key countries like Norway, Sweden, Belgium, Netherlands, England, France, Austria, Germany, Denmark, Italy, Poland, Singapore, Australia and New Zealand.

I have worked with service providers across the globe on different projects and understand these dynamics well.

I have been representing the service providers in OpenPeppol election committee during 2019-21 as an elected member and have been contributing to working groups like Peppol International BIS etc.
