Name of the Candidate: Manjeet Yadav

Email: Manjeet.Yadav@Valtatech.com

Position to be elected for: Service Providers representative in Managing Committee.

Candidate's vision for the position:

My vision for the position of service providers' representative in managing committee is to ensure that the service providers' interests and concerns are understood and acknowledged well in the managing committee before taking any big decision or change that affects the service providers.

To ensure that there is healthy collaboration and alignment between Peppol authorities, service providers and end users.

To ensure always open and fair competition for the service providers of all sizes across the globe and any discrepancies when exists get resolved in a timely manner.

To ensure that distributed model of administration via SMPs and Peppol authorities' need to monitor the uptake using national SMPs are well understood and aligned in a way that both requirements are fulfilled without impacting each other negatively.

Candidate's Background: As a person, I am a young, energetic, extrovert, collaborative and optimistic person with a cheerful smile on the face.

As a professional, I have been close to e-invoicing, Peppol and e-procurement since 2012 working with people from different cultures, communities and countries across the globe i.e. since the time OpenPeppol has been established and have been active in Peppol communities since 2017.

I have been contributing to e-invoicing, Peppol rollouts and adoption across the globe including key countries like Norway, Sweden, Belgium, Netherlands, England, France, Austria, Germany, Denmark, Italy, Poland, Singapore, Australia and New Zealand.

I have been representing the service providers in OpenPeppol election committee during 2019-21 as an elected member and have been contributing to working groups like Peppol International BIS etc.
