Dear Peppol,

We want to submit Trond Ausdal as candidate to be re-elected to continue his work in the APP CMB.

Proposer is Peppol member Visma Software International AS
Trond Ausdal is fully employed at Visma Software International AS

Trond Ausdal short CV:

1990: Education 4y Business and Administration

1990-1998: Salesperson, KAM, Teamlead, Consultant at Vela AS, DM Huset AS and Painbox KS

1998-2008 CEO and Co-founder of Compello AS

2008-2011 CEO and Co-founder Doxylon AS (that was bought by Visma)

2011-current: service owner/ team manager for Visma AutoInvoice and Maventa RnD

Trond has been engaged in Peppol since 2009.

Motivation letter:

As a service provider offering AP and SMP to some 150k endpoints using +100 different ERPs, we have experience on what causes issues and how to handle when changing document formats and validation artefacts. We think we can contribute to further develop how changes are handled in a predictable way, pleasing both those who ask for change and those that need to relate to it. We are extensive users and great supporters of Peppol and this is our motivation for proposing Trond for this position.

Best regards
Ulf Bjørnvold
