Dear Peppol and eDEC Community Members,

We at Basware want to Propose "**Arun Kumar**" as a "**Member of eDelivery Community, Change Management Board".**

Recommendation:
*Key highlights of "**Arun Kumar**" - key asset to eDEC CMB:*

- *"Technical Expert" and deeply involved in creating and implementing technical specification with-in and outside Basware which is one of key requirement of eDEC CMB Member role*
- *"Member of The Oxalis Management Board", helping Oxalis to continuously comply and implement OpenPeppol specifications. Basware is Gold Member of Oxalis community*
- *Actively contributing to Oxalis as "Oxalis Community Technical Resource" and it is in accordance with Basware vision to continue support Open source software with-in Peppol network*
- *"Member Technical sub-committees of Business Payment Coalition, USA's E-invoice Exchange Framework for Market Pilot". This framework is based on OpenPeppol standards with little deviation.*
- *Acting as a "Member eDEC CMB" as a replacement since last 4 months and already contributing to some key topics and will continue doing so after successfully getting elected as a Member, eDEC CMB*
- *Contributed to number of "Peppol forums" and "Technical Working Groups" and "Interoperability Groups" in the past*
- *Key asset in setting up Basware as a Peppol AP and SMP in 2012 and is continuously maintaining Basware Peppol and Network extensions Integration*
- *Full time employee of Basware and associated with Peppol since 2010 onwards. He have extensive knowledge & experience of e-invoicing norms and standards across the globe*

Basware is one of the biggest eInvoicing service providers globally and heavy user of Peppol and highly committed to Peppol objectives and operating in all regions where Peppol has been adopted.
We are great supporters and users of Peppol, so as a responsible player it is in our interest to contribute to Peppol Network with all possible means including participation in different communities. "
