Basware has been at the forefront of developing e-invoicing and e-procurement solutions, and continuously keeps track of the latest local requirements on a global scale. Through the Basware Network, your organisation can ensure globally compliant B2G & B2B connectivity, be it via Peppol or other local legal requirements. In fact, Basware has been a central part of Peppol development efforts since its very beginning. Going back to the late 2000s, Basware was the first official access point that sent the very first live transaction in the Peppol Network. Ever since, Basware has been an integral part in further developing and improving the Peppol Network, with the strategic goal of delivering compliant global B2B & B2G connectivity to our customers.

Met vriendelijke groet / kind Regards,

Ali Alhamami

Senior Peppol Product Manager - Network
