#### Notification of Candidacy

In view of the current open position for **Election Committee End User representative**, I herewith submit my candidacy for the said position. My candidacy is being presented on behalf of the organisation I represent, that is the Ministry of Finance and Labor in Malta.

My organisation became an end-user member with OpenPEPPOL several years ago. Upon membership, I started representing the then small end-user community on the OpenPEPPOL Managing Committee and on the Election Committee. Subsequently, I remained representing the end user committee on the Election Committee. I believe that the experience that I built throughout these years on these OpenPEPPOL committees will allow me to continue doing well on the election committee, should I be re-elected.

Therefore, in view of the above, I submit my candidacy for the Election Committee End User representative. As requested in the call for candidates document, I am also attached my Curriculum Vitae for your consideration and perusal and listing the details requested below:

I thank you in advance for your attention.

- 1. Name of Candidate:** Audrey Anne Callus Randich
- 2. Position(s) the Candidate is running for:** Election Committee End User representative
- 3. Name of OpenPeppol Member proposing the Candidate:** Ministry of Finance and Labor, Malta
- 4. Professional relationship of Candidate and Proposing Member:** Former Employee but still linked to organization as I am still responsible for the implementation of eInvoicing in Malta, which falls under the remit of this Ministry
- 5. Curriculum Vitae of Candidate (short):** attached
- 6. Motivation letter, outlining the Candidate's vision for the position(s), for which the Candidate is running:** vide above.
