- Germany

Agenda

- External activities
- Reference document v2
- Country developments
- 2023 operational plan
- Playground testing
- AOB

2023 operational plan: suggestions

- Improve marketing materials
 - Create very simple high-level presentation to complement the detailed materials we have.
- Improve messaging around DCTCE
- Look into revisiting the Reference document (version 3) by depicting C-CTCE modality of the model, in addition to the D-CTCE approach

Agenda

- External activities
- Reference document v2
- Country developments
- 2023 operational plan
- Playground testing
- AOB

Playground testing status
