AS4 support for Oxalis

—

Erlend Klakegg Bergheim

Current status

- Implementation of updated OpenPEPPOL AS4 specification.
- Connectivity testing with EC is completed.
- Extension for Oxalis is made available.

<https://github.com/difi/oxalis-as4>

(Installation guidance in release notes for RC1 and RC2.)

Next up

- First transactions using AS4.
- Conformance testing with EC.
